MEMORANDUM FOR RECORD

SUBJECT: Service Member, 147th MDVS, Completion of Duty

To whom it may concern:

This memo serves to inform you that your employee (**CPL Yamilex Rodriguez**) a member of the 147th MDVS of the United States Army Reserve. Service member will perform military duty from **01-21 May 2021**. Thank you for your cooperation and support allowing the service member to complete essential military training and service.

Under the Uniformed Services Employment and Reemployment Rights Act (USERRA), Service member has the right to time off from his or her civilian job for military training or service. USERRA provides time lines based on length of service for employees to return to work and requires employers to promptly reemploy employees upon completion of military service. For more information on USERRA, a copy of the Employer Resource Guide, and other news and information, visit the Department of Defense, the National Committee Employer Support of the Guard and Reserve (ESGR) Internet site at www.esgr.mil, or contact ESGR directly at 1-800-336-4590 or e-mail USERRA@osd.mil.

Although we attempt to minimize the interruptions with your employee by scheduling exercises and training requirements well in advance, there are those obligations that occasionally occur with very little notice. You will be informed as soon as possible to minimize any hardships in the Soldier's absence may cause.

If you have, any questions or concerns please feel free to contact me at 609.562.3491 or at hugo.a.brito.mil@mail.mil. On behalf of the Department of Defense, I personally thank you for your cooperation and continued support of this great Nation's Soldiers.
