Hello ivy hayward,

This notice is for appointment: CUR142118741.

Thank you for coming to one of our Delaware COVID-19 testing centers. Your COVID-19 RT-qPCR test was **POSITIVE**. This means that the coronavirus was found in your test. You will get a phone call by a member of th[e] Delaware Division of Public Health in the coming days.

Call your health care provider to share your test result with them as soon as you can. If you do not have a heal[th] provider, contact one of the primary care resources that was provided to you at the testing site. If you do not ha[ve] health care provider and would like to be connected to one, contact your insurance carrier or call 2-1-1 if you a[re] uninsured.

If you feel pain in your chest, problems with breathing, vomiting that will not stop, or if you feel that you have symptoms that are getting worse, call 911 or go to your closest Emergency Room.

We ask that you stay away from others. Stay away for at least 3 days after your symptoms are gone. Inform th[e] you may have been in close contact with in the past 2 days that you are positive. You can call, text, or email th[em] inform them and tell them to stay away from others for up to 14 days. Follow the instructions from the Division [of] Public Health.
